

Teledyne Continental Motors, Inc.
A Teledyne Technologies Company

PART, COMPONENT AND ACCESSORY WARRANTY

Each part, component and accessory shipped from Teledyne Continental Motors' plant on or after August 1, 1999 is warranted as follows:

1. For a period of twelve (12) months or 500 hours of operation, whichever occurs first, after the warranty activation date, Teledyne Continental Motors (TCM) will at its option repair or replace on an exchange basis any part, component or accessory manufactured, rebuilt or supplied by it * which within the applicable twelve (12) month or 500 hour period is returned to a TCM representative authorized to handle the part, component or accessory covered by this warranty and which upon examination is found to the satisfaction of TCM to be defective in material or workmanship. The warranty activation date is the date the part, component or accessory is first operated for any use.
2. Repair or replacement of any part, component or accessory under this warranty will not extend the period of warranty coverage set forth above. TCM reserves the right at its option to replace any defective part, component or accessory with either a new or rebuilt part, component or accessory.
3. TCM will not assume any responsibility for any labor or transportation costs in connection with the repair or replacement of any part, component or accessory under this warranty.
4. This warranty applies only to parts, components or accessories manufactured or supplied by TCM. Nothing contained herein should be construed as a warranty by TCM of any part, component or accessory not manufactured or supplied by TCM. TCM accepts no responsibility for the failure of any part, component or accessory which it does not manufacture or supply or damage resulting from such failure.
5. This warranty applies only to parts, components or accessories which have been installed, inspected or maintained in accordance with the instructions for continued airworthiness, including compliance with all applicable service bulletins issued by TCM, the aircraft manufacturer or any accessory or component manufacturer. Performance of recommended inspections and maintenance must be documented by appropriate logbook entries and a copy of the logbook must accompany any part, component or accessory being returned for warranty consideration.
6. This warranty does not apply to any part, component or accessory manufactured, rebuilt or supplied by TCM installed in any engine which (1) has been subject to misuse, neglect, improper storage or accident; (2) has been installed, repaired, maintained or altered in any way that in the judgment of TCM has adversely affected the condition of the engine; (3) has been operated inconsistent with TCM and aircraft manufacturer recommendations and limitations (such as, but not limited to engine RPM, temperature, manifold pressure, fuel flow and proper system adjustment) or (4) has been changed from its original FAA certificated configuration.
7. TCM will not be responsible for repair or replacement of any part, component or accessory damaged or worn as a result of corrosion, pre-ignition/detonation, operation with non-calibrated engine gauges, improper fuel system adjustment, non-TCM approved fuel and oil grades or additives or installation of parts, components or accessories that alter the engine's original type design.
8. TCM reserves the right to change any part, component or accessory specifications or prices without incurring any responsibility with regard to parts, components or accessories previously sold or replaced.

9. THE SOLE AND EXCLUSIVE REMEDY UNDER THIS WARRANTY IS LIMITED TO REPAIR OR REPLACEMENT AS SPECIFIED ELSEWHERE IN THIS DOCUMENT. THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED. SPECIFICALLY, BUT WITHOUT LIMITATION, THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL TCM BE RESPONSIBLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY DEFECT IN ANY PART, COMPONENT OR ACCESSORY, ARISING OUT OF THE FAILURE OF ANY PART, COMPONENT, OR ACCESSORY TO OPERATE PROPERLY OR ARISING OUT OF ANY BREACH OF THE WARRANTY MADE HEREIN. No person is authorized to give any other warranty or to assume any additional obligation or liability on behalf of TCM.

* This warranty does not apply to parts, components or accessories of complete aircraft engines and warranty replacements for such parts, components and accessories. Such parts, components and accessories are covered separately under the applicable TCM engine warranty.
